

Instructions on filling visa application:

- a. Link for online visa application:
<https://indianvisaonline.gov.in/visa/index.html>
- b. Answer every question carefully. The information entered on the first page (country and mission where you submit the application, nationality, date of birth, e-mail id, expected date of journey, visa type) cannot be changed later!
- c. **General issues:**
 - Use slashes instead of dots in dates: 15/03/1970
 - Replace non-English letters like so: ä=a, ö=o, å=a
 - Use space instead of hyphen: Tom-Erik > Tom Erik
 - Apple devices may not work well with the form
 - If you have technical problems with filling in the form, try a different browser
 - If you have been in India before but do not remember the visa number, enter '0000' as the visa number and estimate the date of issue
